

Butterfly Class
Spring Term 2019
Miss Hardy & Miss Turton

Mathematics:

We will be learning to recognise and understand numbers to 10, exploring 3D shapes, and looking at capacity and measuring.

PSHE:

This term will focus on healthy living and growth.

Being Creative!

During this half term, we will be creating our own dinosaurs, collaging with tissue paper, making dinosaur fossils and exploring with painting in different ways.

Knowledge and Understanding:

Our topic is: - 'Dinosaurs'
We will be learning about different dinosaurs, what they ate, what they looked like and what the Earth was like billions of years ago
We will also be looking at growth and how a dinosaur egg needs to keep warm to hatch.

Technology:

The children will use the interactive whiteboard during adult led sessions, talking tins during their role play and different computer programmes during independent learning.

Communication, Language and

Literacy:

We will be reading and enjoying the following books: Dinosaurs in the Supermarket, The Dinosaur who Lost his Roar, Dinosaurs After Dark, The Dinosaur who Pooped a Planet and Dinosaur Fact Books

Music:

Every week we will be learning and singing new songs and rhymes related to our topic.

Getting Active and Being Physical!

PE this term will be:
Yoga – Every Wednesday (both classes)
PE – Monday (Blue Butterflies)
Friday (Red Butterflies)
