

Reception Spring Term

Newsletter

Hello and welcome back to Reception at Kingsway School!
Happy New Year Butterflies! We have missed you and hope you enjoyed the Christmas break.

We are really looking forward to a new term full of learning and fun 😊

Spring Term Topics

During the first half of this term, the children will be learning about Dinosaurs. We will learn the names for dinosaurs and link our Literacy with Dinosaur stories.

During the second half of this term, the children will be learning about Animals and Minibeasts. For this topic, the children will learn how to care for the creatures and they will make habitats for the creatures.

Routines

The gate will open at 8:45a.m. The children can be left at the beginning of the slope at Foundation to walk up to the gate. Home time is at 3:15p.m.

Milk and Fruit

The children in Reception are offered a free milk each day if they are four years old. Please contact the office to order milk if your child is five years old and would like one. The children are offered a piece of fruit each day.

Reading

At Kingsway we value the importance of reading. The children receive a reading book to take home. We encourage children to read their book more than once at home.

For this term, the children will be taking part in Group Reading sessions in class.
