

Year 6 Owls and Eagles

Summer Term Newsletter

Hello and welcome back to Year 6 at Kingsway School!

We are really looking forward to a new term full of learning and fun 😊

It has been a strange year so far, but we will be busy getting the children ready for the big transition to secondary school. When we have news about secondary schools, we will post them on DOJO. The children have been split into three groups with Mr Wilson, Miss Howlett and Mr Sansome taking a class. Mr Sansome will be with us until May half term.

Summer Term Topics

Our focus in English during the first part of the term will be looking at the book, *The City of Ember*. This is a very exciting book and will lead to some very exciting writing and reading projects.

In Maths, we will be looking at topics that will be useful during Y7 and beyond such as fractions, decimals, percentages; basic four rules; angles and much more.

We will be looking at Mexico as part of Geography and The Ancient Mayans for History. We have some super lessons planned for Music alongside the DARE programme that is delivered by an external provider.

Towards the end of June, we will have an assessment week that we will use to inform the secondary schools. Also, we will cover Sex and Relationships Education during June. There will be more details to follow.

We also want to provide some memorable moments for the children as they prepare for leaving primary school behind and these will include the Hagg Farm visit, the water fight and a DARE graduation.

We really look forward to working with everybody to make this final term absolutely fabulous!

Thank you for your continued support,
Miss Howlett, Mr Wilson and Mr Sansome.
