

Week 10 Home Learning

Get Moving and Feeling Ready for the Day:

Joe Wicks PE lesson- 9am every morning

Go Noodle – Practice some of the dances or relaxation exercises.

Go for a walk or bike ride, remembering to keep 2m social distance.

Science

This week we will be learning about monkeys.

Look through the powerpoint and write your own fact file page about them.

Can you draw your own pictures and maybe even label them?
What new fact have you learnt about monkeys?

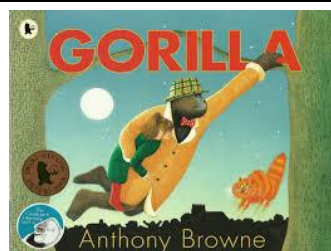

Classroom Secrets Kids

The website below, is offering free online resources to aid your child with their learning. Sign up as a parent and enjoy! Email your class teacher if you have any problems.

<https://kids.classroomsecrets.co.uk/>

English

Read 'Gorilla' by Anthony Browne
Download PowerPoint of the story.

Stop throughout the story asking your child questions.

What does Hannah want? What do you think will happen to the Gorilla? Which monkeys do they see at the zoo?

If you could choose somewhere to go for the day, where would it be? Where would you go for dinner after? Write me a story of your adventure, choose an animal to go with you and tell me about all the exciting things you both explore.

Maths

White Rose Maths Premium Worksheets.

These are available to download, from the Year 1 post on the website.

The videos are still accessible through the following link:

<https://whiterosemaths.com/homelearning/year-1/>

BBC Bitesize

Daily lessons online at:
<https://www.bbc.co.uk/bitesize>

Phonics

Download the attached phonics planning. If you could manage at least 10 minutes of phonics a day, this would be great.

Practice the Phase 5 sounds at:
<https://www.phonicsplay.co.uk/>

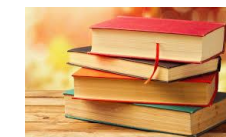

www.activelearnprimary.co.uk – log ins were sent home

<https://www.getepic.com/students>
- email for access to over 100 books

Arts & Crafts

Make your own monkey using a paper cup. Paint your paper cup brown and then making a lighter brown, paint on the monkey's mouth. Cut out two paper ears and attach either side. Stick on googly eyes or paint on your eyes. Make a hole in the top of the cup and use a pipe cleaner to create a tail.

Please feel free to email us at ladybirds@kingsway.notts.sch.uk or dragonflies@kingsway.notts.sch.uk with completed work or questions you may have. From Mrs Spencer & Miss Limb
