English

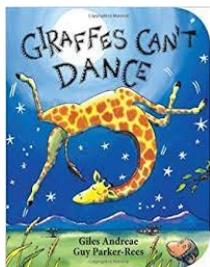

Read 'Giraffes Can't Dance' by Giles Andreae

<https://www.youtube.com/watch?v=vZjsLK5vwNU>

Stop throughout the story asking your child questions.

What can't Gerald do? Is there anything you feel like you can't do?

Was it nice of the other animals to laugh at Gerald? How do you think Gerald feels? Do his feelings change?

I would like you to write a letter to Gerald asking if he could help you with the thing you can't do yet. Remember to write who it is addressed to and to sign it with your name at the end.

Science

This week we will be learning about giraffes. Look through the powerpoint and write your own fact file page about them.

Can you draw your own pictures and maybe even label them?

What new fact have you learnt about giraffes?
