Welcome to Autumn Term 2nd Half

Welcome back to the beginning of another half term. The children have once again returned to school and settled quickly into their learning and our school routines. We are so proud of their positive outlook and resilience.

A letter has been sent out from Nottinghamshire County Council with advice to parents regarding Covid-19 safety measures in Nottinghamshire. There will be a paper copy for you but it will also be available via our school's website etc.

We would like to thank everyone who is maintaining social distancing and wearing a face covering on our school site in order to protect the school and the wider community which our families live in. Just a reminder from the letter that the public health advice is still;

Stay 2 metres apart from people you do not live with where possible, or 1 metre with extra precautions in place, such as wearing face coverings.

It is especially important to wear face coverings on our school site as, despite our staggered start and one-way system, the narrow gate area means it is difficult to maintain 2 metres apart whilst accessing the playground to drop off and pick up. If you need to speak to a member of staff please maintain 2 metre social distancing.

Remembrance

Thank you to everyone who did a poppy picture and returned it to school. These are now displayed on our windows along with ones we have also done in school. It is a very different remembrance this year due to Covid-19 but it is great that so many of you have joined in with this remembrance activity at school. It is there for our local community to see.

Class Dojo

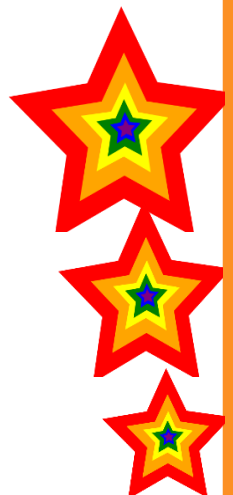

• **Class Dojo** – Please make sure that you have signed up. <https://home.classdojo.com/#/signup>
Nearly all parents / carers are signed up now and the feedback has been great.

Sparkle Book

Well done to the following children for being recognised by their class teachers for our weekly theme of making our school a good place to be. These children have been making people happy, being a good friend, helping others and doing the right thing. This is part of our **KINGSWAY K.I.T.** Autumn term theme of **Kindness**.

Online / Phone Behaviour and Safety

In these very challenging lockdown periods we are aware that children may be communicating with their friends outside of school hours via their phones and online. Please ensure that you monitor your child's phone and online behaviour for their own safety and wellbeing and for that of others. This is not something school is able to monitor as it takes place at home.
