

KINGSWAY PRIMARY SCHOOL YEAR 6 - EAGLES AND OWLS

w/c 11th May 2020

Week 8

Hi everyone. Hopefully you have had a restful weekend and are staying safe! Here as promised is the work for the Y6 (Eagles and Owls). As the children know we have put some activities onto Purple Mash (new ones this week) and we would like you to access these in the 2DO part of the program.

You can also use the following emails to get in touch with us Mr Wilson owls@kingsway.notts.sch.uk or Miss Howlett eagles@kingsway.notts.sch.uk

Regarding the CPG books all the work should now be completed. However, if you haven't quite finished CGP work yet please have a go at finishing. We have included a new book in this week's work called **Headstart Primary - Learning Activity Booklet for Maths and English**. We shall use this like we did with the CGP books. There is a lot of work in this book so we shall do a few pages each day through the week. Printing it off could be expensive so we suggest you try and do it on paper wherever possible.

So for maths, by the end of the week please attempt pages 1, 2, 3 and 4.

For English please attempt, pages 21 to 26.

There will also be the usual work on BBC Bitesize and White Rose Maths to attempt.

We hope you have been able to see the school Facebook and the Blockdown Challenge. This week school has been asked to give out information for the pupils who are going to Kirkby College. This will be posted on the school Facebook page and the school website at the beginning of the week.

Also, we will be giving out information regarding the Y6 hoodies, again on Facebook and the school website.

We hope to see you soon!

Mr Wilson/Miss Howlett
